Heavy Metals – STATEMENT

Based on the declarations received from our raw material suppliers we can confirm that all the Ritrama products comply with the Packaging and Packaging Waste Directive 94/62/EC, US CONEG Model Toxics legislation in relation to the heavy metals paragraphs.

The requirement imposed by this legislation for heavy metals is that the sum of Cadmium, Mercury, Lead and Chromium (VI) in products should be below 100 ppm.

Ritrama S.p.A. confirms that during manufacture of our products, we do not add any of these heavy metals and the concentrations of these substances do not exceed the limits.

This statement concerns only self-adhesive laminate manufactured within the Ritrama S.p.A. it cannot apply to any subsequently converted versions of Ritrama products.

We trust that this information will meet your requirements, please contact us if you require further details.
